

VILLA ESPERANZA SERVICES

Founded in 1961 by determined mothers who believed their special needs children deserved quality care and education, Villa has flourished into a thriving multi-service agency that offers a lifetime of compassionate care and pathways to independence for people with intellectual/developmental disabilities (I/DD). From early childhood interventions to senior services, Villa serves over 650 individuals annually.

Villa stands firm that every individual deserves a life filled with love, support, and limitless opportunity. Our vision looks onward, prioritizing innovative programs and services that align with the evolving needs of the I/DD community.

We extend heartfelt gratitude to the **Champions for Change** who help fund our vital work. We strive to expand our partnerships with like-minded individuals and organizations who share our mission of providing love, care, and hope for individuals with I/DD and their families. Together, a more inclusive and compassionate society awaits, where all can thrive.
